# WELCOME!

Hello my name is Natalie Chrystie. I am Operations Manager for the Childcare & Learning Group of nurseries. It is great to be able to lead Working Mums alongside a wonderfully committed management team.

At Working Mums our ethos is to provide exceptional standards of care and education, whilst encouraging personal and community creativity and individuality.

Visiting our settings, you will see this is very much the case and we look forward to seeing you.

Here's what some of our employees have said about working with us...

**I feel supported and valued.**

My manager has allowed me to progress at my own pace. She is always there in support, believing in me.

I'm challenged to be my best.

A great environment to work in. The people are friendly and helpful.

Lots of training courses, enabling environment, good management, great atmosphere, good salary.

Good leadership and management.

**The staff are very welcoming and training is excellent. It is the place to be if you are looking for long-term employment.**

**A big family who help each other.**

Working Mums has three nurseries located in Mortlake, East Sheen and Battersea.

## Join our team

If you love the early years, working with a great team and want opportunities for your future, this is the setting for you and you are the professional for us.

We look after each other and welcome new practitioners, who like us, believe in high standards of practice and having fun.

You may be qualified and experienced, or you may be unqualified and looking for an opportunity to become qualified and experienced, enhancing your talent for teaching and engaging children.

Whoever you are, if you are passionate, committed and want to have opportunities for your future with children, this is the opportunity for you.

Our team love working for our group because we are all respected as professionals, people and like family, irrespective of our role and job title.

All of our nursery management team members have started as practitioners and more than half of them as apprentices.

We have amazing opportunities for career development, having the size for many opportunities, while maintaining the personal approach of a small group.

## Benefits of joining

- Competitive salaries
- Career progression pathways
- Training opportunities
- Apprenticeship qualification pathway
- GCSE English and Maths tutoring
- Forest School training opportunities
- Continuous Professional development
